

Dear Valued Customers:

Under Governor Baker's recent "Stay-At-Home" order, Powell Stone and Gravel is still considered essential and we wish to stay open to continue to serve our customers.

With the impact of COVID-19 affecting us all, we want to assure you that we are taking this very seriously. The health and well-being of our customers and employees is our top priority. For this reason, starting Wednesday March 25, 2020 we will be closing our showrooms for walk-ins until further notice. Our doors will be locked, but we will still be here to take your orders for deliveries and pick ups. We will do our best to serve our customers while continuing to work at a safe distance. We ask that if you are feeling unwell to please refrain from coming to our stores to help minimize the risk to our employees and other customers.

- All business will be conducted via telephone, email or text message
- All customer orders must be paid via credit card or existing charge account, and a receipt will be emailed to you.
- For pick ups, once orders are processed, our yard employees will be notified by radio of which materials to load into your vehicle
- Orders will be loaded while you remain in your vehicle or placed outside and staged for you to load.
- For deliveries, our driver will contact you to determine the best/safest dump spot for your material (preferably on a paved or solid driveway surface). If you are on-site for your delivery, the "six-foot rule" will be exercised at all times as you discuss your delivery options.

We will remain on our current Spring hours until further notice.

Monday - Friday 7am - 5pm

Saturday 7am - 4pm

As always, please feel free to reach out to us if you have questions or concerns. We value your health and well-being, and greatly appreciate your understanding and business.
